Academic Calendar

Chamberlain College of Nursing operates on a student-centric calendar (SCP). Each semester consists of 16 weeks of instruction and exams; classes are scheduled in two eight-week sessions each semester.

An individual's SCP is based on his/her initial enrollment date into a degree seeking program or on the date studies are resumed following readmission to the College. This results in two overlapping calendars referred to as "cycles".

The two overlapping calendar cycles designate months corresponding to Chamberlain's summer, fall and spring semesters.

The following chart outlines how months of the year correspond to a student's spring, summer and fall semesters, based on the assigned SCP cycle:

Semester	Cycle 1	Cycle 2
Summer	May and July	July and September
Fall	September and November	November and January
Spring	January and March	March and May
