Purpose

This Agreement outlines the educational services to which you are entitled as a student of Chamberlain College of Nursing. It also assures your eligibility to participate in the range of student benefits that are offered as part of your degree program. Academic requirements and your financial obligations are also covered.

Background Check/Drug Screen

After notification of academic eligibility, applicants are required to authorize and pay for a background check and drug screening, which must be completed and passed prior to registration. The \$150 fee is non-refundable. Full details and a summary of students rights under the Fair Credit Reporting Act are outlined in the addendum to this enrollment agreement.

Tuition—Effective Beginning May 2016

Tuition is assessed each session according to enrollment. The tuition rate is \$675 per credit hour. Additional fees apply and can be found in the academic catalog.

Tuition does not include room and board, books and supplies, fees, or transportation. Chamberlain reserves the right to adjust tuition rates at the beginning of any academic term, but such increases will be announced at least 90 days in advance. **ARRANGEMENTS FOR PAYMENT OF TUITION AND FEES MUST BE MADE PRIOR TO REGISTRATION FOR THE STUDENT'S FIRST SESSION. FINANCIAL OBLIGATIONS MUST BE MET PRIOR TO REGISTRATION FOR SUBSEQUENT SESSIONS.**

Students requiring repeat work will be charged additional tuition at the prevailing tuition rates. This may extend their degree program. Schedule changes affected during the add/drop period will result in a tuition adjustment and may have an impact on financial aid.

Tuition for all coursework is assessed according to the student's primary program of enrollment. Student's first program of study is considered the primary program unless the student requests a program change.

Refunds and Withdrawals

The application fee is refundable if the agreement is cancelled in writing prior to midnight of the tenth business day after the date of transaction as provided in the Buyer's Right to Cancel section, or as otherwise required by state law.

To withdraw from Chamberlain after attending classes, a student must notify the designated official according to the policy outlined in the student handbook. Withdrawal is complete when the designated official has been notified or on the date Chamberlain determines a student is no longer enrolled, whichever is earlier. Students who withdraw are responsible for outstanding financial obligations. In addition, those receiving federal student loans must complete an exit interview. Students must make schedule changes by the first day of class for course adds and by the end of week one for course drops to receive a tuition adjustment. Course additions are subject to academic approval. Tuition refunds will be issued on a prorated basis to students who withdraw from a course.

At time of withdrawal, student agrees to pay Chamberlain College of Nursing any outstanding balances less than \$100.00 in full; or in four consecutive monthly installments if the balance is \$100.00 or more, including all finance charges at a 12% annual fixed interest rate, in substantially equal amounts sufficient to pay the principal balance in full. Chamberlain will send a monthly notice of the amount due and remaining balance. Chamberlain will provide students with a disclosure statement setting forth the material terms prior to a student's first payment becoming due. Failure to fulfill all financial obligations may result in a student's account being reported to the credit bureaus and denial of student's subsequent registration, access to grades, diplomas or transcripts.

Only dropped courses are eligible for a 100 percent reversal of tuition and fees, including the course resource and eBook fee.

Refunds are based on the week of withdrawal and are calculated using the Chamberlain refund policy and any applicable state refund policy. The refund most favorable to the student is issued. Refund policies will be applied to the tuition charged for the withdrawn course. Refunds are calculated according to the last documented date of attendance and are issued within 30 days of the withdrawal notification date or the date Chamberlain determines a student is no longer enrolled, whichever is earlier. If the student has received federal student financial aid funds, the student is entitled to a refund of monies not paid from federal student financial aid program funds. Examples of refund calculations are available from the Student Services Office.

At a minimum, refunds are calculated as follows:

Withdrawal During:	% Refund of Tuition Less Administrative Fee*
First day of scheduled classes	100%
Balance of week 1	90%
Week 2	75%
Week 3	25%
Week 4	25%
Week 5-8	0%

*The administrative fee will be \$50 per course

*Semesters, weeks, credit hours and program costs may vary depending upon individual circumstances such as part-time scheduling, transfer credit accepted, course waivers, etc. Cost shown includes application fee, tuition at current rates, average estimated expense for books and supplies, student services charges, and background check/drug screen fee (if applicable). Clinical Expectations

Practical clinical experience is an essential requirement of Chamberlain pre-licensure programs. To participate in clinicals, students may be required to take and pass an additional drug and background check. Specific clinical requirements are listed in the academic catalog. Students who fail a drug or background check will be dismissed. Students are required to travel to complete clinical learning experiences. The average distance between Chamberlain campuses and clinical sites range from 21-33 miles. Student should note that they may be required to travel up to 100 miles to complete clinical learning experiences. Clinical site locations vary; contact the Clinical Learning Resource Department for additional information. All clinical-related expenses (including uniforms, clinical supplies, travel, etc.) are the student's responsibility.

General Information

Course sequences may vary and Chamberlain reserves the right to revise, add or delete courses, alter the total number of class hours, suspend, cancel or postpone a class for reasons including, but not limited to, the following: natural occurrences or other circumstances beyond Chamberlain's control, holidays, special institutional activity days, and registration days. If it becomes necessary for any reason to interrupt regular class schedules or starting dates, Chamberlain may, upon reasonable advance notice, suspend or cancel instruction. Chamberlain will advise students as soon as possible of dates for resumption of classes.

Note: In Ohio, once a student is enrolled, changes to progression or program completion policies will not occur, aside from circumstances beyond Chamberlain's control.

Chamberlain has a written agreement with DeVry University to teach the non-nursing course that are required in Chamberlain's BSN degree program. Courses taught by DeVry University may be delivered on-site and online and are identified on the transcript with the letter "n" following the course number. There are no additional costs incurred by Chamberlain students as result of enrolling in a degree program at Chamberlain that is taught, in part, by DeVry University.

If the number of students enrolling in a starting class is deemed insufficient, Chamberlain reserves the right to cancel the starting class. If this occurs, applicants will be given a full refund of the application fee and prepaid tuition. In the event that a continuing program or class is cancelled, students will be offered the opportunity to transfer within the Chamberlain system with full credit for all course work completed. Not all programs are offered at all locations, and some courses may not be offered every session. Students are required to take course work online to complete their program. Check with your student services advisor regarding course availability and delivery format.

If the standard length of programs must be changed, then tuition for any additional course work will be charged at the rate prevailing at the time the coursework is taken. Chamberlain is not obligated to provide coursework for students who fail, withdraw from a course, or interrupt their studies. Although the programs are of varying lengths, the term of this Agreement is for only one semester. If a student's enrollment is ongoing after the first semester with no interruptions, no new Agreement need be signed, and the terms of this Agreement (except for tuition and refunds in the case of a tuition increase) are reaffirmed and shall be applicable to the student and Chamberlain upon the student's enrollment for each consecutive subsequent semester and during the term thereof. Students who leave the program for one or two terms or who transfer to another Chamberlain location or program must sign an addendum to their enrollment agreement prior to resuming or transferring. Students who leave the program for three or more terms will be asked to execute a new enrollment agreement prior to resuming. Refer to the academic catalog for resumption of study requirements. A second application fee is required of readmits.

Standard business methods are used in the collection of delinquent payments. Students are required to keep Chamberlain informed of their current home and local address. Transcripts will not be issued to students who owe money to the College.

In order to remain enrolled, students must demonstrate satisfactory academic progress toward completing their programs as outlined in the academic catalog.

To graduate from any program, a student must maintain a cumulative grade point average of not less than 2.0 and satisfactorily complete all required coursework. The cumulative grade point average is calculated on all coursework completed while enrolled at Chamberlain, whether or not it is in the student's current degree program. Students must pass standardized exit examination. The examination is repeated until the minimum required score is achieved. A fee is required to repeat the examination after the second attempt. Upon successful completion, a confirmation of program completion is sent to the state board of nursing. The confirmation is required for graduates to apply for nursing licensure and sit for NCLEX-RN® exams. Additional conditions are detailed in the academic catalog. Chamberlain reserves the right to change the requirements for graduation to keep pace with educational, scientific, technological or similar developments. Changes may be applied to students already enrolled. For those cases, an academic advisor will specify an alternate plan of study which must be completed in lieu of the original requirements.

Students must contact their Advisor prior to making any changes in their program. Program approval varies by state. A student's program change or change of physical location or residence could impact eligibility for enrollment in a program. Students are also responsible for notifying Chamberlain College of Nursing of a change in their residence or physical location, and for verifying whether any such change affects the student's eligibility for enrollment in a program.

Students seeking resumption of study after involuntary or voluntary withdrawal need to be aware that curriculum changes may have occurred. A review with an academic advisor will be made to determine if an alternate plan of study is needed to permit those students to complete the graduation requirements.

Except by attached printed addenda to this Agreement, if any, written by Chamberlain and acknowledged by applicant, this Agreement is not subject to oral or written modifications from its printed form. This Agreement supersedes any Chamberlain enrollment agreement you may have previously signed.

Chamberlain admits academically qualified students and does not discriminate on the basis of gender, age, race, color, national origin, religion, sexual orientation, political affiliation or belief, or disability in admissions, employment services, or access to its programs and activities.

It is Chamberlain's policy to comply with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990. Persons wishing additional information about this policy or assistance to accommodate individual needs should contact the Office of Student Disability Services, adaofficer@chamberlain.edu or 888.556.8226.

Purchase of Textbooks, Lessons, and Supplies

Students are required to purchase standard textbooks, lessons and supplies. These costs may vary by the student's session and program. Some courses require electronic versions of the textbook (eBook). In these instances, a \$30 electronic book fee is charged. If the eBook is included, hard-copy textbooks are not required for these courses but may be purchased at an additional cost. Effective July 2016, students have the opportunity to decline eBooks for a course through the Chamberlain bookstore at chamberlain.edu/bookstore. This option must be exercised before the end of Week 1 of each session. Eligible students who prefer not to utilize a course's eBook will receive a credit to their student account. Students will be required to obtain all course materials prior to the start of the course. For additional information regarding which courses have eBooks and the costs associated with them, visit chamberlain.edu/bookstore. The average cost of textbooks is \$250 per semester for full-time students, depending on publishers' prices. However, this average may be exceeded in early terms. Textbooks and supplies may be purchased through Chamberlain or from an outside bookstore, but must be those specified by Chamberlain.

In lieu of receiving rent from the operator of its bookstores, Chamberlain receives commissions derived from the gross revenue collected by the bookstore operator from both on-campus and internet sales. These commissions are used to assist with expenses associated with the selection and ordering of textbooks and e-learning materials as well as the operating cost associated with providing campus bookstore space.

Other Costs

A non-refundable student services charge of \$150 per session is applied to students. A non-refundable parking fee, not to exceed \$50 per year, per vehicle, may be required of students who utilize Chamberlain's Houston campus parking lots. See the academic catalog for a complete listing of additional expenses.

Student Health and Insurance

Documentation of a current health examination and immunization history must be submitted by established deadlines. Details regarding health record requirements are outlined in the academic catalog.

Unless otherwise insured, students are required to enroll and maintain a group injury and sickness plan. Evidence of health insurance is required.

General Admission Requirements

Prospective students must interview with a Chamberlain admission advisor and complete an application for admission. All admission requirements must be met. Once the application is submitted, applicants are pending acceptance based upon satisfactory completion of remaining admission conditions including undergoing a background check and drug screen. Detailed information as well as additional requirements for selected programs, formats and their clinical requirements are found in the academic catalog.

Applicants with prior post-secondary attendance must present transcripts indicating all previous work. Students requesting transfer credit for prior post-secondary education must submit official transcripts before credit is awarded. Transfer students must follow the Chamberlain admission guidelines and procedures. Previous educational experiences are recognized by students demonstrating knowledge through examination of skill and subject matter and/or evaluation of transcripts. The acceptance of transfer and proficiency credits may affect program completion time, tuition, and eligibility for financial assistance. For detailed information, please refer to the Transfer Students section of the academic catalog.

Each applicant must be at least 17 years old on the first day of classes. Documentation of age may be required.

All documents required for admission must be provided by the first day of class unless an extension is granted. Please refer to the Admission Information section of the academic catalog for requirements found at chamberlain.edu/catalog.

Chamberlain reserves the right to deny admission to any applicant and to change entrance requirements without prior notice.

Students whose academic history indicates academic difficulties may be denied permission to take extra credit hours, or may be required to take a reduced academic load.

Attendance/Dismissal Policy

Students are expected to attend every meeting of every class in which they are registered. Absenteeism may result in dismissal from Chamberlain or from a specific course. Students who commit a breach of Chamberlain rules or normal standards of good conduct will be referred to the campus president and may be subject to dismissal. Chamberlain reserves the right to dismiss students who fail to comply with the Student Code of Conduct, or maintain satisfactory academic progress. See the student handbook or academic catalog for complete details.
