NAVIGATE TO NURSING (N2N) COURSEWORK

NR-101: Transitions in Nursing or NR-103: Transition to the Nursing Profession – 8 weeks (on-site)

A success seminar designed to introduce the student to the culture of Chamberlain College of Nursing, active adult learning principles and professional presentation through development of effective verbal communication skills and relationship building through the concepts of emotional intelligence, personal inventory and self-management. Students also develop scholarship, written communication, punctuation and grammar skills through a blended-learning format. Course also includes adult learning principles and concepts related to active learning.

NR-101* or NR-103 is a prerequisite of the N2N Scholarship Program second semester.

START EARNING COLLEGE CREDIT WHILE YOU ARE STILL IN HIGH SCHOOL

After completing NR-101* or NR-103 (the N2N pre-requisite and recommended courses), scholarship recipients have the opportunity to take selected courses towards completion of the Bachelor of Science in Nursing degree program at Chamberlain College of Nursing.

EARN YOUR BACHELOR OF SCIENCE IN NURSING IN AS FEW AS THREE YEARS***

N2N Scholarship recipients have the opportunity to explore a rewarding career in nursing while taking as much as one semester off the Chamberlain College of Nursing 3-year Bachelor of Science in Nursing degree program.

Be as much as one semester ahead by the time you enter college.

You could be eligible to receive up to \$8,775 in tuition assistance.‡

The more courses N2N students take, the more credits they can receive.¥

TO APPLY, CALL 855.NEW.NURS(639.6877)

NOTE: For a complete listing of all course descriptions visit chamberlain.edu/catalog. For a Bachelor of Science in Nursing (BSN) Sample 3-year Curriculum Plan, visit chamberlain.edu/curriculum.

* Indicates courses and credit hours that must be taken by students attending a North Carolina campus only.

** When registering in courses taught by DeVry University, Chamberlain students will need to select the course with an N suffix designator (i.e. ENGL-117N).

*** The on-site Bachelor of Science in Nursing (BSN) degree program can be completed in three years of year-round study instead of the typical four years with summers off.

† Course placement to be determined by SAT/ACT scores or placement test results. Developmental courses are not included as part of the N2N scholarship program/courses.

‡ Scholarship amounts may vary. For complete scholarship details, visit chamberlain.edu/n2n.

¥ To be eligible, course and credits must be a part of the N2N/BSN curriculum.

Comprehensive program-specific consumer information is available at chamberlain.edu/studentconsumerinfo.

Program/program option availability varies by state/location. Chamberlain reserves the right to update information as it becomes available. Information is current at the time of publication. For the most updated accreditation information, visit chamberlain.edu/accreditation.
