The personal health of our students is of the utmost importance in providing safe and professional nursing care. Maintaining personal health insurance is one way to protect yourself and those you care for in the clinical environment. Proof of health insurance is also required by Chamberlain's clinical partners.

Chamberlain pre-licensure nursing students are required to demonstrate proof of health insurance prior to the first day of class, and annually thereafter, by completing Option 1 or Option 2 listed below. The deadline is the Sunday prior to the first day of your first semester at Chamberlain and each new policy year thereafter.

Failure to provide personal health insurance documentation by the deadline may result in auto enrollment in the UnitedHealthcare® (UHC) Injury and Sickness Plan. For a listing of current insurance rates, visit chamberlain.edu/studentinsurance. Your Chamberlain student account will be charged. If you need to purchase coverage, review the UnitedHealthcare’s Student Injury and Sickness Plan summary located at chamberlain.edu/studentinsurance to determine which plan best meets your individual needs or visit studentcenter.uhcsr.com/chamberlain for additional plan information.*

* For International Students must have a permanent US address in order to enroll in the school-sponsored plan.

ACTION REQUIRED: All students are required to select one of the options below and follow the corresponding steps to complete your health insurance requirement. Failure to take action may result in auto enrollment in the UnitedHealthcare® (UHC) Student Injury and Sickness Plan.

**OPTION 1:**
Verification of personal health insurance

1. My signature below acknowledges that I will not be joining the Chamberlain University-sponsored student health insurance plan because I have comparable coverage to the health benefits of the Chamberlain University plan.

2. I fully understand that I am legally responsible for any medical expenses incurred during my enrollment at Chamberlain University and that Chamberlain University will not be responsible for any medical expense. It is also understood by me that if I lose my medical insurance protection, I will notify the Chamberlain Health Insurance Administrator and make necessary arrangements to join the sponsored plan.
