Student Letter

Dear Chamberlain Student:

The personal health and integrity of students is of utmost importance in providing safe and professional nursing care. Maintaining personal health insurance is one way to ensure your ability to protect yourself and those you care for in the clinical environment. In fact, our clinical partners require that our students demonstrate proof of health insurance. As such, Chamberlain University’s Policy requires students to demonstrate proof of health insurance (either your own health insurance plan or the injury and sickness insurance plan outlined in this mailing) by time of registration to prevent being automatically enrolled.

Recognizing the cost of insurance coverage today and keeping the interest and protection of all our students in mind, Chamberlain University has arranged for a Student Injury and Sickness Insurance Plan for students from UnitedHealthcare Insurance Company. All full time campus students are required to enroll in this injury and sickness insurance plan, unless physical evidence of coverage under a similar insurance program (individually or as dependents on a comparable insurance policy) is presented to Chamberlain. Although this plan is available to all Chamberlain students, it is not mandatory for MSW, MPH, RN-BSN, MSN, or RN-BSN to MSN students. Chamberlain sincerely believes that this insurance program will help reduce the cost of treatment for sickness and injury from accidents that may occur.

Please read the enclosed materials carefully for a full description of coverage, including costs, benefits, exclusions, any reductions and limitations and the terms under which the coverage may remain in force. Although benefits are limited in certain areas, the plan is designed to alleviate the basic cost of hospital and some outpatient care resulting from an injury or illness. This plan also provides an option for coverage of a spouse and/or children. Only the student portion of the premium cost may be applied to your student account.

Should you still desire more detailed information about the Student Injury and Sickness Insurance Plan, please contact the Chamberlain Clinical Compliance Office at clinicalcompliance@chamberlain.edu.

Here’s to your good health and the patients that you serve.

Sincerely,

Karen Cox
President
Chamberlain University
Who is eligible to enroll?

All registered full-time students are automatically enrolled in this insurance plan at registration, unless proof of comparable coverage is furnished.

All registered part-time students (taking at least 6 credit hours for undergraduates and 3 credit hours for graduates) are eligible to enroll in this insurance plan.

Eligible students who do enroll may also insure their Dependents. Eligible Dependents are the student’s legal spouse, civil union partner or Domestic Partner and dependent children under 26 years of age. See the Definitions section of this Certificate for the specific requirements needed to meet Domestic Partner eligibility.

The student (Named Insured, as defined in this Certificate) must actively attend classes for at least the first 31 days after the date for which coverage is purchased. Home study and correspondence courses do not fulfill the eligibility requirements that the student actively attend classes. The Company maintains its right to investigate eligibility or student status and attendance records to verify that the Policy eligibility requirements have been met. If and whenever the Company discovers that the Policy eligibility requirements have not been met, its only obligation is refund of premium.

The eligibility date for Dependents of the Named Insured shall be determined in accordance with the following:

1. If a Named Insured has Dependents on the date he or she is eligible for insurance.
2. If a Named Insured acquires a Dependent after the Effective Date, such Dependent becomes eligible:
   a. On the date the Named Insured acquires a legal spouse, civil union partner or Domestic Partner who meets the specific requirements set forth in the Definitions section of this Certificate.
   b. On the date the Named Insured acquires a dependent child who is within the limits of a dependent child set forth in the Definitions section of this Certificate.

Dependent eligibility expires concurrently with that of the Named Insured.

Where can I get more information about the benefits available?

Please read the certificate of coverage to determine whether this plan is right before you enroll. The certificate of coverage provides details of the coverage including costs, benefits, exclusions, and reductions or limitations and the terms under which the coverage may be continued in force. Copies of the certificate of coverage are available from the University and may be viewed at www.uhcsr.com/chamberlain. This plan is underwritten by UnitedHealthcare Insurance Company and is based on policy number 2019-201883-1. The Policy is a Non-Renewable One-Year Term Policy.

Who can answer questions I have about the plan?

If you have questions please contact Customer Service at 1-866-808-8298 or customerservice@uhcsr.com.

Healthiest You: 24/7 Doctor Access

Starting on the effective date of your policy, you have 24/7 access to medical advice through HealthiestYou, a national telehealth service. By calling the toll-free number listed on the front of your medical ID card or visiting www.telehealth4students.com, you have access to board-certified physicians via phone and/or video, where permitted. This service is especially helpful for minor illnesses, such as allergies, sore throat, earache, pink eye, etc. Based on the condition being treated, the doctor can also prescribe certain medications, saving you a trip to the doctor’s office. Using HealthiestYou can save you money and time, while avoiding costly trips to a doctor’s office, urgent care facility, or emergency room. As an insured with StudentResources, there is no consultation fee for this service.* Every call with a HealthiestYou doctor is covered 100% during your policy period.

This service is meant to complement your Student Health Center. If possible, we encourage you to visit your SHC first before using this service.

HealthiestYou is not health insurance. HealthiestYou is designed to complement, and not replace, the care you receive from your primary care physician. HealthiestYou physicians are an independent network of doctors who advise, diagnose, and prescribe at their own discretion. HealthiestYou physicians provide cross coverage and operate subject to state regulations. Physicians in the independent network do not prescribe DEA controlled substances, non-therapeutic drugs and certain other drugs which may be harmful because of their potential for abuse. HealthiestYou does not guarantee that a prescription will be written. Services may vary by state.

*If you are an Insured under this insurance Plan, and you call prior to the plan effective date, you will be charged a $40 service fee before being connected to a board-certified physician.
