TUITION & EXPENSES EFFECTIVE JULY 2015

The application fee is due at the time the application is submitted. After notification of acceptance eligibility, pre-licensure students in the Bachelor of Science in Nursing (BSN) degree program are required to pay a nonrefundable background check and drug screening fee, which must be completed prior to registration. Graduate students in the Doctor of Nursing Practice and Master of Science in Nursing programs as well as those in the Graduate Certificate programs that have practicums, may be required to pay a nonrefundable background check and drug screening fee, prior to beginning their practicum coursework. Additional fees may apply depending on State Board of Nursing and practicum site requirements.

Tuition and expenses are calculated each session and are subject to change. Application for financial assistance does not negate the student's responsibility to ensure that arrangements for full payment of tuition and expenses are made before the first day of classes. A financial statement provided each session outlines the charges and the balance due. Please refer to chamberlain.edu/tuition for the most updated information on tuition and expenses.

Transportation to off-campus clinical/practicum facilities, meals at off-campus clinical/practicum facilities, healthcare insurance and personal expenses, including housing, are not included in the calculation of annual student costs. These expenses will vary according to individual student needs.

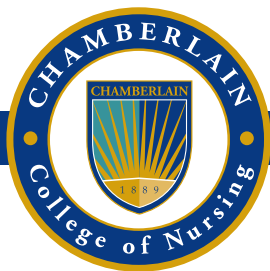

Full payment of all tuition and expenses is to be made before the first day of classes unless other arrangements have been made. The financial obligation for each session must be met in order to register for a subsequent session. Unusual circumstances or a financial crisis should be reported to student finance immediately so that the College can assist the student in planning or determining if possible alternatives exist.

Chamberlain reserves the right to change tuition and expenses as necessary. Written notice of planned tuition and expenses changes will be posted in advance. Housing contracts are issued for the academic year and housing costs are payable per semester.

Cancellation Policy

The application fee is refundable if applicants cancel their application within 10 business days of submitting the application. A student who does not report to the first day of classes and wishes to cancel the class may request a refund of any money paid over and above the application fee and applicable background check and drug screening fee.
