

COLLEGE of HEALTH PROFESSIONS “KNOW BEFORE YOU GO” FACT SHEET

MASTER OF PUBLIC HEALTH (MPH) DEGREE PROGRAM

chamberlain.edu/mph

What Will I Learn & Experience in My Studies?

- Utilize quantitative methods and epidemiologic tools to assess, monitor, and review the health status of populations and their related determinants of health and illness.
- Apply evidence-based reasoning and health informatics approaches to the process of program planning, development, budgeting, management, and evaluation in public health organizations and public health interventions to improve community health outcomes.
- Apply theoretical constructs of social change, health behavior and social justice in planning public health interventions.
- Develop public health programs and strategies responsive to the diverse cultural values and traditions of the communities being served.

What Services Will I Receive?

- Dedicated student service advisor to help plan coursework and develop a financial plan to pay for your education
- **Chamberlain Care® Student Success Strategies** on-demand modules covering time management, scholarly writing, study tips and more
- 24/7 access to our online library and database
- 24/7 access to the help desk
- Counseling, legal and financial planning services through the ASPIRE Student Assistance Program
- Career Services to guide the career search process
- Complimentary membership in the Chamberlain University Alumni Association

Program Costs & Student Loans

\$26,680	Total program costs for a student with no transfer credits is \$26,680
NOT AVAILABLE	Median tuition, books and fees paid by 2014-15 graduates of the program is unavailable because the program was either too new or the population was too small
NOT AVAILABLE	Median student loan debt of 2014-15 graduates of the program is unavailable because the program was either too new or the population was too small

Earnings Outcomes

\$49,000	The median earnings of former Chamberlain students who received federal student aid was \$49,000 10 years after entering Chamberlain, whether they completed or not
\$34,300	The median earnings of all former U.S. college students who received federal student aid was \$34,300 10 years after entering college, whether they completed or not

Completion Rates

NOT AVAILABLE	The percentage of students receiving federal student aid starting the MPH program in the 2014-15 academic year who completed their program within the published program length is unavailable because the program was either too new or the population too small
----------------------	--

Loan Default Rates

NOT AVAILABLE	The percentage of students who last attended the Chamberlain MPH degree program and received student loans and entered repayment in the year ending 9/30/2014 defaulted on their student loans is unavailable because the program was either too new or the population too small
3.4%	3.4 percent of students who attended Chamberlain and received federal student loans and entered repayment in the year ending 9/30/2014 defaulted on their student loans
9%	9.0 percent of students who attended any 4-year U.S. college and received federal student loans who entered repayment in the year ending 9/30/2014 defaulted on their student loans.

Legend: ■ Chamberlain MPH students ■ All Chamberlain students ■ All U.S. college students

IMPORTANT INFORMATION ABOUT THE MASTER OF PUBLIC HEALTH (MPH) DEGREE PROGRAM

“KNOW BEFORE YOU GO” FACT SHEET

How relevant is this information to me? The Know Before You Go Fact Sheet provides information about Chamberlain University and its Master of Public Health (MPH) degree program, and information about U.S. colleges as a whole. Certain information, such as earnings outcomes, can be different depending on where you plan to live and your individual situation and experience. The Fact Sheet information is intended to help you compare some information about Chamberlain and its MPH program to other colleges as you think about your choices.

Information Sources

Total program costs is the total tuition, fees and average estimated textbook and equipment expense for a student attending full-time who takes and passes every course currently required by the program at Chamberlain a single time at the current tuition rate.

Median tuition, books and fees paid is the median amount paid to Chamberlain by students using Title IV aid who graduated from this program within the normal program length and started in the 2014-15 academic year. This amount is different than the total program costs and may be different for each student because students may transfer credits from other colleges, repeat courses that are not passed the first time or choose the MPH program after first choosing other programs at Chamberlain.

Median student loan debt is the median total debt (federal, private and institutional loans) of students using Title IV aid who completed this program within the normal program length and started in the 2014-15 academic year.

The median earnings 10 years after entering college (Chamberlain or all 4-year schools) is calculated or compiled and reported by the U.S. Department of Education as part of the College Scorecard available at: <https://collegescorecard.ed.gov/>. Numbers reflect the CY 2013 and CY 2014 earnings (inflation-adjusted to 2016 dollars) for students entering the school in 2002-2003 and 2003-2004. The amount is the median earnings of students who are working and not enrolled 10 years after entry. THIS DOCUMENT DOES NOT GUARANTEE EMPLOYMENT OR A CERTAIN SALARY RANGE.

Completion rate is the percentage of students receiving Title IV federal student aid entering the MPH program for the first time during an academic year who completed the program within the published program length.

The loan default rate for the program is calculated by the institution and is based on the program of study for which the student was last enrolled before entering repayment. The default rate measures the percentage of students entering repayment in 2014 who defaulted on their loans within three (3) years.

Loan default rate is the percentage of borrowers (4 year U.S. Colleges and Chamberlain) entering repayment in 2014 who defaulted on their loans within three (3) years. The rate is provided by the U.S. Department of Education and can be found at <http://www2.ed.gov/offices/OSFAP/defaultmanagement/cdr.html>. In addition, a loan repayment rate for former Chamberlain students as well as those who attended other institutions can be found on the College Scorecard at <https://collegescorecard.ed.gov/>.
