Program Costs & Student Loans

Total program costs for a student with no transfer credits is $9,300

Median tuition, books and fees paid by 2018-19 graduates was $7,777

Median student loan debt of 2018-19 graduates was $5,611

Completion Rates

21 percent of students receiving federal student aid starting the Graduate Certificate in Nursing Education program in the 2017-18 academic year completed their program within the published program length

Earnings Outcomes

The median annual earnings of individuals who received federal financial aid during their studies and completed an award in this field of study is unavailable because the program was either too new or the population too small. To be included in the median earnings calculation, the individuals needed to be working and not enrolled in school during the year when earnings are measured. Median earnings are measured in the first full year after the student completed their award.

Loan Default Rates

The percentage of students who last attended the Chamberlain Graduate Certificate in Nursing Education program and received student loans and entered repayment in the year ending 9/30/2017 defaulted on their student loans is unavailable because the program was either too new or the population too small.

3.4 percent of students who attended Chamberlain and received federal student loans and entered repayment in the year ending 9/30/2017 defaulted on their student loans.

7.8 percent of students who attended any 4-year U.S. college and received federal student loans who entered repayment in the year ending 9/30/2017 defaulted on their student loans.

Information Sources

**Total program costs** is the total tuition, fees and average estimated textbook and equipment expense for a student attending full-time who takes and passes every course currently required by the program at Chamberlain a single time at 2020-21 tuition rates.

**Median tuition, books and fees paid** is the median amount paid to Chamberlain by students who graduated from this program in the 2018-19 academic year. This amount is different than the total program costs and may be different for each student because students may transfer credits from other colleges, repeat courses that are not passed the first time or choose the Graduate Certificate in Nursing Education program after first choosing other programs at Chamberlain.

**Median student loan debt** is the median total debt (federal, private and institutional loans) of students who completed this program in the 2018-19 academic year.

The median earnings one year after graduation is calculated or compiled and reported by the U.S. Department of Education as part of the College Scorecard available at: [https://collegescorecard.ed.gov/](https://collegescorecard.ed.gov/). THIS DOCUMENT DOES NOT GUARANTEE EMPLOYMENT OR A CERTAIN SALARY RANGE.

**Completion rate** is the percentage of students entering the Graduate Certificate in Nursing Education program for the first time during an academic year who completed the program within the published program length.

The loan default rate for the program is calculated by the institution and is based on the program of study for which the student was last enrolled before entering repayment. The default rate measures the percentage of students entering repayment in the year ending 9/30/2017 who defaulted on their loans within three (3) years.

**Loan default rate** is the percentage of borrowers entering repayment in the year ending 9/30/2017 who defaulted on their loans within three (3) years. The rate is provided by the U.S. Department of Education and can be found at [http://www2.ed.gov/offices/OSFAP/defaultmanagement/cdr.html](http://www2.ed.gov/offices/OSFAP/defaultmanagement/cdr.html).
