Information Sources

Total program costs is the total tuition, fees and average estimated textbook and equipment expense for a student attending full-time who takes and passes every course currently required by the program at Chamberlain a single time at 2020-21 tuition rates.

Median tuition, books and fees paid is the median amount paid to Chamberlain by students who graduated from this program in the 2018-19 academic year. This amount is different than the total program costs and may be different for each student because students may transfer credits from other colleges, repeat courses that are not passed the first time or choose the MSN program after first choosing other programs at Chamberlain.

Median student loan debt is the median total debt (federal, private and institutional loans) of students who completed this program in the 2018-19 academic year.

The median earnings one year after graduation is calculated or compiled and reported by the U.S. Department of Education as part of the College Scorecard available at: https://collegescorecard.ed.gov/. THIS DOCUMENT DOES NOT GUARANTEE EMPLOYMENT OR A CERTAIN SALARY RANGE.

Completion rate is the percentage of students entering the MSN program for the first time during an academic year who completed the program within the published program length.

The loan default rate for the program is calculated by the institution and is based on the program of study for which the student was last enrolled before entering repayment. The default rate measures the percentage of students entering repayment in the year ending 9/30/2017 who defaulted on their loans within three (3) years.

Loan default rate is the percentage of borrowers entering repayment in the year ending 9/30/2017 who defaulted on their loans within three (3) years. The rate is provided by the U.S. Department of Education and can be found at http://www2.ed.gov/offices/OSFAP/defaultmanagement/cdr.html.
