**Earnings Outcomes**

The median annual earnings of individuals who received federal financial aid during their studies and completed an award in this field of study is unavailable because the program was either too new or the population was too small. To be included in the median earnings calculation, the individuals needed to be working and not enrolled in school during the year when earnings are measured. Median earnings are measured in the first full year after the student completed their award.

**Loan Default Rates**

The percentage of students who attended Chamberlain and received federal student loans and entered repayment in the year ending 9/30/2017 defaulted on their student loans is unavailable because the program was either too new or the population was too small.

- **3.4%**
  - 3.4 percent of students who attended Chamberlain and received federal student loans and entered repayment in the year ending 9/30/2017 defaulted on their student loans

- **7.8%**
  - 7.8 percent of students who attended any 4-year U.S. college and received federal student loans who entered repayment in the year ending 9/30/2017 defaulted on their student loans
IMPORTANT INFORMATION ABOUT THE GRADUATE CERTIFICATE IN FAMILY NURSE PRACTITIONER (FNP) WITH PRACTICUM “KNOW BEFORE YOU GO” FACT SHEET

How relevant is this information to me? The Know Before You Go Fact Sheet provides information about Chamberlain University and its Graduate Certificate in Family Nurse Practitioner with Practicum, and information about U.S. colleges as a whole. Certain information, such as earnings outcomes, can be different depending on where you plan to live and your individual situation and experience. The Fact Sheet information is intended to help you compare some information about Chamberlain and its Graduate Certificate in Family Nurse Practitioner with Practicum program to other colleges as you think about your choices.

Information Sources

Total program costs is the total tuition, fees and average estimated textbook and equipment expense for a student attending full-time who takes and passes every course currently required by the program at Chamberlain a single time at 2020-21 tuition rates.

Median tuition, books and fees paid is the median amount paid to Chamberlain by students who graduated from this program in the 2018-19 academic year. This amount is different than the total program costs and may be different for each student because students may transfer credits from other colleges, repeat courses that are not passed the first time or choose the Graduate Certificate in Family Nurse Practitioner with Practicum program after first choosing other programs at Chamberlain.

Median student loan debt is the median total debt (federal, private and institutional loans) of students who completed this program in the 2018-19 academic year.

The median earnings one year after graduation is calculated or compiled and reported by the U.S. Department of Education as part of the College Scorecard available at: https://collegescorecard.ed.gov/. THIS DOCUMENT DOES NOT GUARANTEE EMPLOYMENT OR A CERTAIN SALARY RANGE.

Completion rate is the percentage of students entering the Graduate Certificate in Family Nurse Practitioner with Practicum program for the first time during an academic year who completed the program within the published program length.

The loan default rate for the program is calculated by the institution and is based on the program of study for which the student was last enrolled before entering repayment. The default rate measures the percentage of students entering repayment in the year ending 9/30/2017 who defaulted on their loans within three (3) years.

Loan default rate is the percentage of borrowers entering repayment in the year ending 9/30/2017 who defaulted on their loans within three (3) years. The rate is provided by the U.S. Department of Education and can be found at http://www2.ed.gov/offices/OSFAP/defaultmanagement/cdr.html.

Overall Pass Rate for the 2017-2019 calendar years is the number of candidates who passed the ANCC or AANP exam divided by the total number of candidates who graduated and attempted the ANCC plus the candidates who attempted the AANP exam (including repeat attempts).
